Dear Platte County Fair Sponsor,

Thank you for your continued support of the Platte County Fair. We are excited for the upcoming fair year and just wanted to let you know about some possible ways your business can get your name out there and support our community in a few more avenues. Our fair theme is "Yesteryears – An Old Fashioned Fair". Our kids take pride in what they do for fair and could not do it without the support of the entire family and community. The possibilities are endless of the ways to help our future leaders of America to discover the possibilities within themselves.

We are continually finding ways to add more exciting new events to the fair. This year will be Fun on the Go, PC Safety Fair, Heartland Pulling Series, Book and a Bite, Pig Wrestling, Mutton Bustin' and much more. We are trying to bring in more events to help our sponsors get better recognition for their continued support.

Possible ways to get our business more visibility may include water bottles, hats, pencils, pens, key chains, Frisbees, t-shirts, advertising material, games to put on during Youth night, items for the Businessmen's Challenge, reusable cups or bottles, etc. As a sponsor of Silver or above, a vendor booth may be set up at no cost with your items to sell or giveaway for the fair week. I have also enclosed the Sponsorship information sheet and sign up form. Please feel free to take a look at it. I will be coming around to visit your business late March. If you have any questions you can contact me at 307-322-9504. The Fair Board and I look forward to working with you in the upcoming years!

Thank you!
